Dear Ms. Julie Anne Watko:

In response to your office communication mailed August 4, 2005, we are submitting the attached corrected sections.

In the drawings:

The drawings received by the patent office on July 1, 2005 are modified drawings to correct the informalities noted in the paper mailed on March 29, 2005.

In addition, in the original drawings received by the patent office on 10/23/2002 Fig. 10b was duplicated while Fig. 11b was omitted. The PAIR system shows Fig. 10b on both sheets 13 and 17, while Fig. 11b is omitted. The drawings received by the patent office on July 1, 2005 also corrected this informality.

Original drawings were submitted electronically. Corrections to the drawings have to be submitted in paper form. Differences in the appearance of the drawings are a result of different printing methods.

Corrected drawings are submitted. Page 4 marked "Replacement sheet" corrects the informalities noted in the paper mailed on March 29, 2005. Page 13 marked "Replacement sheet" replaces duplicated Figure 10b with Figure 11B.

All drawings currently submitted are printed in high resolution in response to Examiner's objections on page 2 paragraph 1 mailed August 4, 2005. This corrects the appearance of Fig. 2 and Fig. 4.

In the claims:

Claims 3-7 are amended following Examiner's suggestions.

Claims 12-14 are canceled.
